REALIZE YOUR TRUE PROFITS WITH BERG

- Affordable cash and cost control with POS or cash register interface.

- Single PLU to POS or cash register for multiple liquor drinks.

- Existing DN All Bottle ID units can be upgraded to be cocktail capable.

- BERG ensures fast service and consistent quality drinks and cocktails, no matter who pours them.

- Perfect cocktails poured with up to 5 liquors per recipe every time.

- Only brands listed can be poured. No mistakes, wrong brands or recipe variations allowed.

- You can beat your competition with new promotions paid for by the savings and extra revenues generated by the BERG Systems.

- ROI averaging 4-6 months.
